

# DIGITAL IMAGES

How to find them and use them  
**legally** without breaking the bank.

**CRISP CLEAN IMAGES UP  
YOUR PROFESSIONALISM**

blurry, out of focus images kill your credibility

If you've ever thought you don't have the time  
or the budget for great photography - think  
again! You just don't have the right tools!

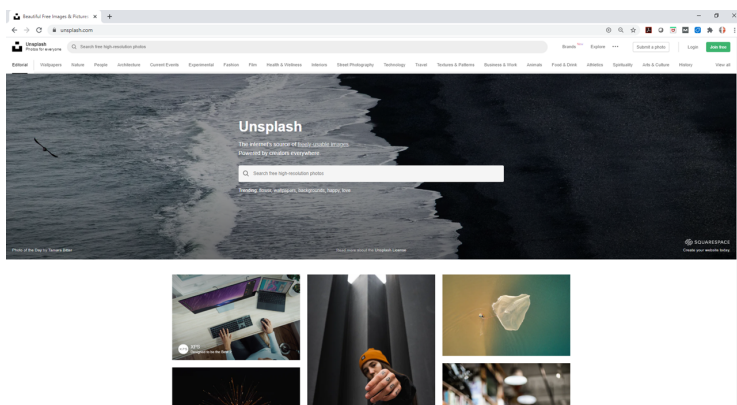

**I'LL JUST "BORROW" THIS  
IMAGE NO ONE WILL KNOW**

nooooo! it's not borrowing. it's stealing.

You wouldn't want anyone to "borrow" from  
your business. Why would you find it ok to do  
that to another professional?

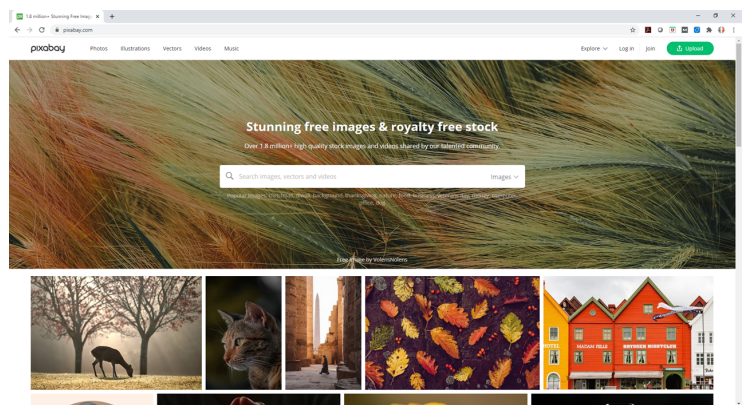

## HERE'S HOW TO GET PROFESSIONAL IMAGES WITHOUT A BIG BUDGET OR A LAWSUIT

a few of our design team's best resources (keep in mind each resource has different rules  
for using the files, be sure to check them out)

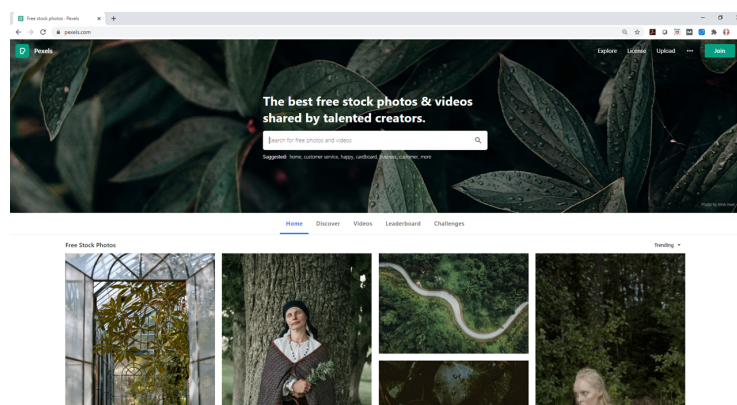

**UNSPLASH.COM**

"free" photography

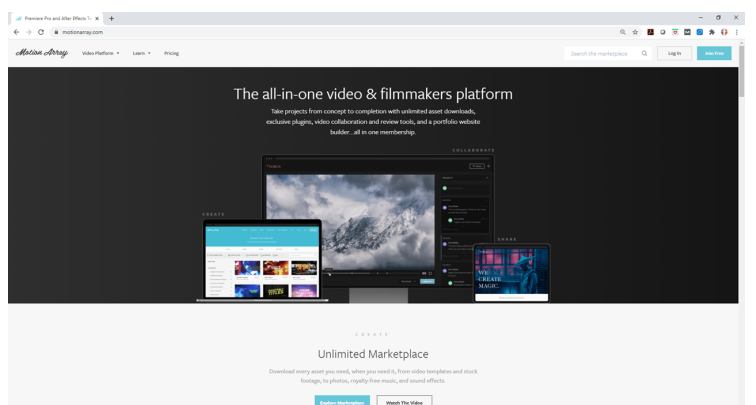

**PIXABAY.COM**

"free" photography and video

**PEXELS.COM**

"free" photography and video

**MOTIONARRAY.COM**

"free" photography, video, and music
